COUNTER- PHOTOGRAPHY

Japan's Artists Today

Dec. 1, 2008- March 6, 2009

Kamaitachi Series No. 32 by Eikoh Hosoe courtesy of the Japan Foundation

This world-traveling photography exhibit showcases the work of eleven contemporary Japanese artists united by a common desire: to capture a world invisible to the naked eye—the world of the spirit. Reflecting the traditional Japanese belief in which all objects are perceived to have a spiritual aspect, their work moves beyond the documentary, revealing the unique spirit of each individual photographer.

This exhibition is free and open to the public.
Made possible with the support of the Japan Foundation

*The gallery is open Monday through Friday from 9am to 5pm.
The exhibit will be closed December 25, 29-31, January 1-2, 19-20,
and February 11 and 16.*
